

REMARKS

Claims 1 and 3-36 are currently pending in the instant application. Claims 2 and 37-40 were canceled previously.

**Objection – Specification**

The abstract of the disclosure is objected to because the copy received (face of the WO document) has been cut off at the bottom. Correction is required.

The entire WO document, WO2004/056769, is included as an enclosure with this paper.

**Restriction under 35 USC 121 and 372**

The Examiner states that restriction is required under 35 USC 121 and 372.

Claims 1 and 3-36 are subject to restriction as set forth in the Office Action. Responsive thereto the election of Group V, claims 18-24 and 31-36, drawn to compounds of the formula VII, VIII, IX, Xa, Xb and XI and a method of making and using, is affirmed.

The Applicants reserve the right to file subsequent divisional applications to recapture cancelled subject matter.

Applicants aver that the claims are now in better form for examination. An Action on the merits of the claims is respectfully awaited. In the event that minor amendments will further prosecution, applicants request that the examiner contact the undersigned representative.
